PROXIMO BRAZIL

AN UNCOMPROMISING VIRTUAL EVENT COVERING BRAZILIAN ENERGY AND INFRASTRUCTURE FINANCE EXCHANGE

We are experiencing an extraordinary moment in history. As a result of the spread of the Covid-19 virus, global financial markets are currently unable to conduct business in person and high-quality avenues for business development are now in short supply. But fear not! As nimble innovators, we are fully committed to connecting professionals globally and that's why we're bringing you a brand new, premium, fully virtual Proximo Brazil: Energy and Infrastructure Finance Exchange. The virtual event will bring together Brazil's leading local project finance lenders, government authorities, pension funds, private equity sponsors, and developers, together with incoming international investors – as well as opening the event up even further afield!

Proximo Brazil Energy and Infrastructure Finance Exchange Virtual will not only match any physical event in terms of quality and service, but gives you access to a broader audience than ever before. Our feature-rich hybrid service conference will place attendees at the forefront, not only as the best informed and connected, but driving the future of the industry.

Take advantage of our extensive network even before the conference begins with access to our networking tool pre-conference: message your fellow attendees, arrange video 1:1 meeting and even get in touch directly with speakers. We are dedicated to getting to core of why every visitor is tuning in, what they want and how we can help them. That's why we will arrange meetings with your most compatible business partners by simply submitting your company profile be part of business matchmaking services.

The main live event on 27th-28th May, will host most of our carefully created content delivered across a series of interviews, keynotes, interactive and intimate ideas labs and networking services and more.

See you in the virtual world!
