

FOR IMMEDIATE RELEASE

Exagon Impact Capital (“XIC”) is pleased to announce that Cristina Jimenez has joined as Chief Operations and Compliance Office (COO&CO).

With the addition of Ms. Jimenez, XIC continues to add veteran talent to its experienced Latin American and Caribbean impact infrastructure investment management team.

*“We are honored that Cristina has joined the XIC team and I am thrilled to be continuing on the 12 years that we worked together previously. Cristina is a uniquely experienced investment professional who has excelled in our field and brings great value to the Company. We welcome Cristina and look forward to continuing to build value together for our investors and partners while making a tangible positive impact.”* – said Marc Ricart.

*Cristina Jimenez, COO&CO*

Prior to joining Exagon, Cristina spent more than 18 years as a founding member of the Latin American finance institution CIFI where she led critical organizational roles as Controller and CFO in charge of the company’s reporting, funds, portfolio and organizational risk management. In addition, while at CIFI, Cristina led the establishment of CIFI’s Asset Management business. Cristina began her career in Spain working in the insurance and banking sectors.

XIC was founded to drive IMPACT THROUGH INFRASTRUCTURE INVESTMENTS, and to achieve superior financial returns through market leading climate-themed infrastructure investment expertise in Latin America and the Caribbean.
