

Proximo Deals of the Year Awards 2019

Celebrate industry success with a once in a
lifetime digital opportunity

Proximo's EMEA Deals of the Year awards have now been decided! We would like to offer our congratulations to all this year's award winners.

The financial industry is keen to hear which deals have been successful, and to learn more about these innovative and ground-breaking transactions. As such, this year we have decided to put the whole thing on steroids, and will be celebrating the winners in two ways:

Virtual Awards Ceremony

Join us online on the 13th of May as we announce the winning deals! We'll beam the winning deals straight to your laptop, mobile or iPad in an Oscar's-style award ceremony. Each winning deal will be presented, and the broadcast will add colour to the deal in question, identifying key features, interviewing key characters and allowing them to talk through the challenges they faced and how they were overcome. Exact date and time to follow.

Digital Deal Write-Up

The live show will be followed up with a Deals of the Year digital feature magazine due to land at the end of May, including full deal write ups, as well as articles from Proximo editor-in-chief.

Please note there is a strict embargo on publicly disclosing any winners until 8th May 2020. It will be lifted once the awards show has launched in week commencing 13th of May 2020.

Get involved

Each winning deal will be showcased in a high octane and the awards show in total will last no longer than 30 minutes. Award announcements may include the following:

1. Announcement from Proximo featuring key information about the deal, and participating institutions
2. Highlight interview from winning sponsor
3. Interview with key participating institutions
4. Proximo editor talks through why the deal won
5. Bonus interview footage on each deal via the Proximo website following the event.
