PROXIMO LATIN AMERICA 2022 PRIVATE CAPITAL FORUM

Who's up for round two in the city that never sleeps? Due to the success of **Proximo Latin America Energy & Infrastructure Finance** in Miami earlier this year, we are delighted to announce that the inaugural **Proximo Latin America 2022: Private Capital Forum** will be making its way to New York City this October!

For one-day only, we will be back but this time to explore the role of **private & institutional capital** in supporting the development, expansion and **decarbonization** of **Latin America's energy, transport and social infrastructure sectors**.

AT THIS STANDOUT EVENT, YOU WILL HEAR FROM:

The **financial sponsors** using development platforms to build out renewables at scale

The **infrastructure funds** building diverse portfolios of assets in the region

The strategic **infrastructure sponsors** that are looking to recycle capital to invest in leading-edge mobility solutions

The **institutional debt investors** that are willing to look at larger and more complex deal structures

WHAT CAN YOU EXPECT FROM THIS FORWARD-THINKING EVENT?

- ★ A UNIQUE EVENT THAT ENCOURAGES THE MARKET TO LOOK AT DIFFICULT QUESTIONS, AND CHALLENGE THE STATUS QUO
- ★ SENIOR NETWORKING OPPORTUNITIES,
- ★ AN INTERACTIVE ATMOSPHERE WITH LIVE Q&AS, COLLABORATIVE WORKSHOPS AND 'IDEA LAB' STYLE SESSIONS
